Chang's best-selling general chemistry textbook takes a traditional approach and is often considered a student and teacher favorite. The book features a straightforward, clear writing style and proven problem-solving strategies. It continues the tradition of providing a firm foundation in chemical concepts and principles while presenting a broad range of topics in a clear, concise manner. The tradition of chemistry has a new addition with co-author Kenneth Goldsby from Florida State University adding variations to the 11th edition. The organization of the chapter order has changed with nuclear chemistry moving up in the chapter order. There is a new problem type: interpreting, modeling, and estimating, fully demonstrating what a real-life chemist does on a daily basis. The authors have added over 340 new problems to the book.

One of the best-selling books for AP Chemistry, *Chemistry: The Central Science*, 11th AP Edition, by Raymond Chang continues the tradition of excellence with this new edition. The AP Edition includes AP course and exam information, an AP correlation, and a complete AP practice exam. Chang's text continues to take a traditional approach and is often considered a student and instructor favorite. It features a straightforward, clear writing style and proven problem-solving strategies and continues to provide a firm foundation in chemical concepts and principles while presenting a broad range of topics in a clear, concise manner. An integral part of the text is to develop students' problem-solving and critical thinking skills. To that end, the authors have added over 340 new problems and have incorporated real examples in an effort to help students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity. This eleventh edition continues to deliver the integration of tools designed to inspire both students and teachers. Effective technology is integrated throughout with a multimedia package that stretches students beyond the confines of the traditional textbook.
